**Product:** LABDANUM GUM DRY (Low Moisture)-200141

**Code:** 200141

**Chemical Name:**

---

### **General product information**

**Natural Product.**

**Botanical raw material:** Cistus ladaniferus L.

**CAS:** 84775-64-4; 8016-26-0

**EINECS:** 283-893-1

**CE Index-Nr.:**

---

### **Technical specification**

| TEST                | LIMIT VALUES                          | UNITS | METHOD      |
|---------------------|---------------------------------------|-------|-------------|
| <b>Appearance:</b>  | Paste-resinous<br>(presence of waxes) | ---   | QC 03       |
| <b>Colour:</b>      | Dark brown                            | ---   | QC 03       |
| <b>Water:</b>       | 5 – 10                                | %     | QC 14       |
| <b>Flash Point:</b> | >+100                                 | °C    | (TCC) QC 08 |

---

### **Additional information**

**Odour:** Sweet, herbaceous-balsamic, somewhat amber-like odour.

**Storage:** In full tight sealed containers at temperature below +20 °C and protected from light.

**Shelf Life:** 24 months.
