

India's only FDA & GMP approved facility  
to manufacture

### Sodium Hydroxide Pellets & Potassium Hydroxide Pellets

under the brand name of **CALIPELLETS**

Available Grades: IP, BP, EP, USP - NF, FCC,  
AR, LR, ACS, etc., and multi-compendial grades

Manufacturers & Exporters of a wide  
range of Excellent quality chemicals

### High Purity Chemicals for Pharmaceutical Application:

#### Salts, Minerals & Nutrients

Ammonium Sulfate  
Barium Sulfate  
Calcium Chloride Dihydrate  
EDTA Disodium  
Magnesium Carbonate  
Magnesium Chloride  
Magnesium Sulfate  
Potassium Chloride  
Potassium Carbonate  
Potassium Phosphate Dibasic  
Potassium Phosphate Monobasic  
Sodium Acetate  
Potassium Acetate  
Sodium Phosphate Dibasic  
Sodium Phosphate Monobasic  
Sodium Sulphate Anhydrous  
Sodium Potassium Tartarate  
Zinc Oxide

#### pH Adjusters

Ammonia Solution  
Potassium Hydroxide Solution  
Potassium Hydroxide Pellets  
Sodium Bicarbonate  
Sodium Carbonate Anhydrous  
Sodium Hydroxide Solution  
Sodium Hydroxide Pellets

#### Acids

Tartaric Acid  
Succinic Acid

#### Disinfectants

Formaldehyde  
Iodine  
Phenol

#### Actives

Methyl Salicylate  
Salicylic Acid

If you are looking for multi-compendial grades of raw  
materials for production or hard-to-find chemicals,
