

## Global Sourcing - The Easiest way to a connected world

INDENTA derived from Indenting, the main activity of the group when it was established, is today a specialist raw material sourcing company for Fine chemical, Pharmaceutical, Personal Care, Flavor & Fragrance industries. We support our valued patrons reduce considerable purchasing costs, identifying the best supply options from renowned suppliers worldwide, negotiating the most competitive price possible, ensuring quality and conducting due diligence, leveraging procurement as a competitive advantage in this global competition and increased risk of supply chain disruption.

## Consolidation Solutions Source & Outsource

Partner with us and combine all of your periodic procurement of low volume, low cost i.e. the C & D category products, into a highly responsive single procurement source, while retaining your complete control with a pre-approval framework and authorization.

### What we do

#### Strategic Sourcing; Creating Competitive Edge:

- Research Driven Approach and Procurement
- Access to new market
- Multiple supply option
- Product Innovation
- Most Competitive Pricing

#### Vendor Audits:

- Enhanced traceability
- Supplier Evaluation & Validation
- Quality confirmation

#### Quality Assurance:

- Monitoring Quality
- Arranging Pre Shipment Lot sample wherever applicable

#### Regulatory Compliances & Documentations:

- Ensure availability of Mandatory Documents viz. MSDS, CoA, TDS, etc.
- Relevant licenses & certificates pertaining to Pharma, FDA, etc.

#### Packaging flexibility:

- Customized packaging
- IIP based packing and documentation
- Labelling with GHS pictograms

#### Logistic Support:

- Scheduling JIT shipments
- Reduce transportation cost & inventory carrying cost
- Pooling shipment together

#### Facilitating finance:

- Eliminating multiple Payee
- Flexible finance terms
- Multiple payment options

#### Easy accessibility

- Library of information
- Relevant support materials
- One-point contact for all your business needs
- Customer Specific products & services

#### Experienced professionals:

- Trained Professionals
- Dedicated team
- Consistent quality support
- Process in line with ISO 9001:2015 system

### Benefits

Cost Control; Flexible Finance; Low Risk; Increased competitiveness; Boost Productivity; One-point Contact; Reduce Management complications; Improved visibility.
